Spanish Interpreter Volunteer, Eduardo

Eduardo deA. has volunteered 242 hours in the 4 years he has served as a Spanish Interpreter for patients of Kansas City CARE Clinic. In September, 2013, he reaches another milestone. While many volunteers serve in more than one department, this month Eduardo is volunteering with 4 Clinic departments! He is interpreting for Spanish-speaking patients in the General Medicine Clinic and in the Dental Clinic. He is translating clinic brochures into Spanish for the Development department. And Eduardo is teaching basic Spanish phrases to members of the Prevention team. Gracias, Eduardo! Su servicio a nuestra clinica y los pacientes se aprecia mucho!

Happy Birthday, Bonita Litizette!!!

The Kansas City CARE Dental Clinic has a very special volunteer. Bonita Litizette began volunteering as a Dental Assistant in 2001 when the clinic was located at Eastside. She gave 1,449 hours of service to dental patients until 2008, when she "retired" to take care of her grandchildren while her daughter completed dental school out of state. After the dental clinic was moved to Prospect, Bonita was recruited to return to volunteering. She has given another 168 hours in the past year and a half! Bonita loves the new, modern, beautiful clinic and remembers fondly the many UMKC Dental Students who have rotated through the clinic. She brings a cheerful smile and a friendly attitude with her every time she volunteers. Bonita has a September birthday, so the Dental staff and volunteers wish her a very Happy Birthday.

“It takes courage to push yourself to places that you have never been before...To test your limits...To break through barriers.

And the day came when the risk it took to remain tight inside the bud was more painful than the risk it took to blossom...”

~Anais Nin

What I do, you cannot do; but what you do, I cannot do. The needs are great, and none of us, including me, ever do great things.

But we can do small things, with great love, and together we can do something wonderful.

~Mother Teresa
